DONOR INFORMATION PRIVACY PROTECTION POLICY

Strategic Global Response (SGR) is committed to maintaining the confidentiality and security of our donors' personal and financial data. This information is privileged and held in confidence between the donors and SGR.

SGR follows best practices in maintaining security of donors' credit card data. Credit card data is collected strictly for the purpose of processing orders or donations for SGR. This data is maintained securely and will not be provided to third parties except as needed to process transactions. Similar efforts are made to safeguard donors' bank account information in the event donations are made by virtual check or by wire transfer.

The sale or any other use or dissemination of any of our donors' personal information to third parties is prohibited, except as required by law or consented to, by the donor.

SGR's website may contain links to other websites which may not be governed by similar statements. We suggest that users of such links read and agree to the privacy statements of these other websites.
